

# Fire resistant plants

This list includes plant species that have low flammability. All species may listed may require maintenance (e.g. removal of excess bark, removal of any dead foliage or limbs) in accordance with CFS requirements for bushfire prevention.

- *Acacia cognata*
- *Acacia melanoxylon*
- *Acacia sophorae*
- *Adenanthos sericea*
- *Ajuga australis*
- *Angophora costata*
- *Anigozanthos* sp.
- *Arthropodium strictum*
- *Atriplex cinerea*
- *Atriplex nummularia*
- *Atriplex semibaccata*
- *Brachychiton acerifolius*
- *Bulbine bulbosa*
- *Bulbine semibarbata*
- *Carpobrotus rossii*
- *Correa alba*
- *Correa calycina*
- *Correa glabra* var. *turnbullii*
- *Correa lawrenciana*
- *Correa reflexa*
- *Cupaniopsis anacardioides*
- *Dianella caerulea*
- *Dianella longifolia*
- *Dianella revoluta*
- *Dianella tasmanica*
- *Dichondra repens*
- *Doryanthes excelsa*
- *Doryanthes palmeri*
- *Einadia nutans*
- *Elaeocarpus reticulatus*
- *Enchylaena tomentosa*
- *Ficus macrocarpa*
- *Goodenia albiflora*
- *Goodenia ovata*
- *Hibbertia scandens*
- *Hymenosporum flavum*
- *Isotoma* sp.
- *Lagunaria patersonii*
- *Lomandra hystrix*
- *Lomandra longifolia*
- *Lophostemon confertus*
- *Myoporum montanum*
- *Myoporum parvifolium*
- *Myoporum petiolatum*
- *Myoporum viscosum*
- *Nitraria billardieri*
- *Pandorea* sp.
- *Philothea* sp.
- *Prostanthera ovalifolia*
- *Rhagodia candolleana*
- *Rhagodia parabolica*
- *Rhagodia spinescens*
- *Scaevola aemula*
- *Scaevola albida*
- *Scaevola crassifolia*
- *Scaevola hookeri*
- *Scaevola porocarya*
- *Syzygium australe*
- *Syzygium smithii*
- *Tristaniopsis laurina*
- *Viola* sp.
- *Viminaria juncea*
